Chiropractic Assistant Training Log for: Sierra Mixer
(Applicant's name)

The supervising DC/independently licensed health care provider and applicant may use the form below to record the initial CA training. Use additional paper, if needed. Do not simply use the terms 'didactic' or 'practical.' Explain what was taught (medical terminology, scope of practice, HIPAA, etc.). For the hands-on training, all three therapies must be listed (physiotherapy, electrotherapy, and hydrotherapy).

NOTE: This training is valid for 60 days. You must submit your completed application to the OBCE within 60 days, or you will need to retake the 12 hours of initial training.

Reminder: Follow the Board's Initial Training Syllabus
